If you go by metro:

You should pass the exit to Kazakova St. and Gogol Theater. Go by left side of underground passage in the direction of long-distance train platforms. Turn left after direction sign "Exit to Gogol Theater" and pass the rest of underground passage. After leaving it you should walk 100 meters again and find "ARMA" control post #1 on right of you. That's it!

P.S. In case you didn't understand anything from the above-mentioned instructions, ask our manager for his mobile number and we will meet you.

If you go by car:

From Garden Ring. You should follow external side of Garden Ring and to turn right into Kazakova St. after passing Kursky train station. Behind Gogol Theater you should turn right again into Nijny Susalny Side Street (blind alley). Literally 100 meters later you would find "ARMA" control post #1 on left of you.

From Yauza River embankment. You should drive the Academician Tupolev embankment in the direction of city center. After the car wash you should turn right on Mruzovsky Side Street crossing a tramway track. You should drive direct to T-junction just after the gas station and turn right again. Thereby you should come to "ARMA" control post #2
